These classes are designed to:

- Introduce students to the process of visual perception and artistic expression through studio practice.
- Develop students' confidence and skills in using a variety of mediums.
- Develop students' ability to communicate their ideas and art making process verbally and in written form.
- Develop an understanding of the history, major styles and contemporary issues in making art.
- Develop an understanding of the Washington State Arts EALRs

Washington State Arts EALRS

1. The student understands and applies arts knowledge and skills.
2. The student demonstrates thinking skills using artistic processes.
3. The student communicates through the arts.
4. The student makes connections within and across the arts to other disciplines, life, cultures, and work.
